**COMMUNICATION**

Sir:

Pursuant to the Office Communication, mailed 9 July 2002 in the above noted application, Appellants are informed that they must ratify the appeal brief originally submitted on 18 October 2001.

Appellants on 18 April 2002 submitted a signed copy of the signature page along with 3 copies of the Brief on Appeal. Apparently, this was not received by the Examiner. In response to a telephone call with the Examiner on 16 July 2002 it was agreed that 3 copies of the Appeal Brief, with a signed signature page would be resubmitted, with hand delivery to the USPTO to satisfy the Official Communication.

Appellants attorney, the undersigned, hereby states that the 3 copies of the Appeal Brief (and Exhibits) accompanying this letter are true copies of those previously submitted and include the signed signature page submitted on 18 April 2002.

Enclosed herewith, please find three copies of the Appeal Brief and Exhibits, a photocopy of the previously submitted Extension of Time (at the time of original submission of the Appeal Briefs), a copy of the originally submitted stamped return receipt postcard; and copies of the Communication of 18 April 2002. Should the Examiner have any questions or wish to discuss any aspect of this case, the Examiner is encouraged to call the undersigned at the number below.

Respectfully submitted,
